

## **NSM Expenses Policy**

1. Any arrangements including these and any special adjustments to be specified in the working agreement prior to appointment
2. The PCC will normally meet the costs of travel and the expenses within the parish.
3. The Diocese will pay the travel expenses from the NSM curate/priest home to parish boundary
4. Mileage will be paid at the normal diocesan/revenue approved rates
5. Any variation in the above will need the agreement  
  
in the case of title curates of the Director of Clergy Development,  
Incumbent, Archdeacon  
in the case of other clergy of the Director of Clergy Development,  
Incumbent, Archdeacon
6. In the case of those living outside the Diocese, specific individual arrangements will need to be negotiated.
7. The final decision as to placement and licensing rests with the Bishop. Where an individual wishes to minister in a specific location of his/her choosing, they may be required to meet their own travelling expenses to the border of the parishes.
