

4 Days, 3 Nights, 2 years, 1 Awesome God

Breakthrough is the fantastic Scripture Union Holiday that takes place over New Year at Green Gables Hotel in Scarborough. The theme for this year is **'Live the Story'** and celebrations, interactive learning, workshops, discussions and times of reflection will help us explore what it means for God's Story to impact our lives today. Alongside that our on-site coffee bar, lounges and games room, give you the chance to relax with friends, get creative and showcase your talents.

The event is open to anyone in school years 10 and above and costs £130 inclusive of all meals and accommodation.

Organised travel will be offered from some locations around the NE for an additional charge. Don't let finance stop you from coming – grants are available.
