

**CONFIRMATIONS 2012**

- A reminder that we are very happy to come for a Confirmation even when there is just one candidate: it feels right for them to be in their own parish/benefice where possible and with the people who will 'welcome' them and 'up hold them in their life in Christ'.
- A further reminder that diaries do get filled up quite early, so if you are hoping for a Sunday Confirmation, please contact Janet Slater (who co-ordinates our diaries for this purpose) at Hollin House as soon as possible. We are of course, happy to come on weekday evenings too.
- And yet more. The Confirmation Gathering is habitually hugely appreciated by those who attend: it would be good if more people were able to come. If you have any comments about dates, times and venue in connection with that, do let us know. The 2012 date is Saturday 26 May.
