Practical Issues in Safeguarding Children and Young People

Saturday 18 February 2012 10.00 - 13.00 St Mark's Church, Harrogate
Saturday 25 February 2012 10.00 - 13.00 Ripon and Leeds Diocesan Office, Leeds

The event is aimed at all workers working with children and young people on a paid or voluntary basis and those with responsibility for children and youth work provision.

The session will provide you with a practical framework for ensuring that church activities with children and young people are safe.

By the end of the session you will:

- **have information about safe volunteer recruitment**
- **have a framework for setting up activities safely**
- **understand what to do if you are concerned about adult behaviour towards children and young people**
- **have identified challenges of new technology**
- **know where and how to access resources to support your work with children and young people**

Facilitators - Sue Booth and Mick Maskill
