

Whether you work full time as your church's paid administrator, or you occasionally drop in to the church office to help out with visitors or the filing, this conference is for absolutely anyone involved in church admin, whether full-time or part-time, paid or unpaid, formally or informally.

Our aim is to provide inspiring and motivating teaching from God in his Word, practical seminars, and an opportunity to share ideas and encouragement for those involved in this traditionally 'invisible' area of ministry.

About the Day

We are delighted to have Tim Hanson, Minister at Christ Church Wharton and Maurice McCracken, Assistant Minister at Christ Church Liverpool, speaking to us from the Bible about the gospel that motivates us in our admin roles at church.

In the morning you will have the opportunity to attend a practical seminar on one of the following three topics:

How to Plan an Event

Recruiting, Training and Managing Volunteers

Dealing with people when Working in a Church Office

(Please specify which seminar you would like to attend when booking to give us an idea of numbers for each.)

The afternoon will begin with a Question and Answer Session with a panel of experts to answer our questions, and there will also be some time to chat and pray in groups.

There will be a bookstall on the day with a range of books and resources relevant to the conference.

Price & Booking

The cost of the day is £20. Coffee and refreshments will be provided. Please bring your own lunch.

To book a place at the conference, please contact Lou Hunter at the North West Partnership Office. Please provide your name, email address and seminar choice as well as payment for the day.
