“Two of the best days you could ever spend as a Christian leader. The experience of being inspired, challenged and powerfully encouraged in every aspect of your ministry can only be for the good of your local church.”
John Nicholls, St Peter's Halliwell, Bolton.

Last year **170** leaders from **32** churches and businesses from Yorkshire and beyond, enjoyed two days of inspiring Leadership teaching in Wakefield. We hope that this year even more Leaders will want to be involved, if possible bringing their leadership teams, for a time of learning, reflecting and worshipping together.

This year's line up of Speakers is as varied and interesting as last year's, and includes Dr Henry Cloud, author; Seth Godin, **Blogger**; Erwin McManus, Pastor of **Mosaic** church, and Mama Maggie Gobran, Founder of Stephen's Children Ministry, a **Peace Prize Nominee**.

Earlybird rate up to 31st July.

Please call The Parish Office at St. Helen's Church for more details: 01924 259966.
